October 30, 2020 Settlement Report
Shareholder Class Actions**

RGFRD has identified the following settled shareholder class actions with upcoming claims deadlines. Check-marked and shaded cases are those where the Portfolio Monitoring Program® indicates that an eligible claim may exist. The range of data analyzed in the context of this report is approximately Jan 2005-Jul 2014; Apr 2020-current. Where data is incomplete, potential claims may not be identified. Please click on the case name to view the Claims Administrators' websites for additional information about these settlements.

Robbins Geller does not undertake any obligation with respect to the notification of any and all settlements publicly disclosed or otherwise, to the accuracy of any specific claims deadline, to the filing of any claims or to the accuracy of the information provided by the Client in the claim form. It is the responsibility of the Client to timely file any claims, and to provide all relevant information to the fund representative(s) responsible for filing claims on behalf of the fund. Many funds delegate the responsibility for this task to the fund's custodian, fund managers and/or a third party claims processing company. Robbins Geller's identification of the recovery of shareholder class action funds is based on available data reported to Client's custodian and may not reflect all recoveries obtained.

Antitrust Class Actions

RGRD has identified the following settled antitrust class actions with upcoming claims deadlines. Please click on the case name to view the Claims Administrators' websites for additional information about these settlements. Because these antitrust cases rarely involve publicly traded securities covered by our Portfolio Monitoring Program®, RGRD cannot independently ascertain your eligibility to participate in any of these settlements. Please contact us if you have questions regarding any of these antitrust settlements.

Claims Deadline	Case	Class	Class Period	Gross Class Recovery	Claims Administrator
11/21/2020	Automotive Parts	Automotive Exhaust Systems	01/01/2002-02/12/2018	\$13,798,000	Epiq

Robbins Geller does not undertake any obligation with respect to the notification of any and all settlements publicly disclosed or otherwise, to the accuracy of any specific claims deadline, to the filing of any claims or to the accuracy of the information provided by the Client in the claim form. It is the responsibility of the Client to timely file any claims, and to provide all relevant information to the fund representative(s) responsible for filing claims on behalf of the fund. Many funds delegate the responsibility for this task to the fund's custodian, fund managers and/or a third party claims processing company. Robbins Geller's identification of the recovery of shareholder class action funds is based on available data reported to Client's custodian and may not reflect all recoveries obtained.
