

## **NEW HAVEN CITY PLAN COMMISSION ADVISORY REPORT**

**RE: ORDER OF THE BOARD OF ALDERS** Authorizing the Mayor of the City of New Haven to accept funding from the State Department of Economic and Community Development (DECD) for the reconstruction of its Public Works Facility. (City Engineer)

**REPORT: 1552-11**

**ADVICE: Approval**

### **BACKGROUND**

The Public Works facility on Middletown Avenue is structurally unsound. The State Bond Commission has awarded the City a \$10M bond, to be coupled with a City match of \$5M, for design and reconstruction of the facility.

### **PLANNING CONSIDERATIONS**

The continued use of the Public Works facility is critical to providing infrastructure services to the City as a whole. Maintenance and repair of the current facility will allow for continued delivery of City services with minimal disruption to the Public.

### **ADVICE**

The Commission recommends approval.
