BACKGROUND

The City acquired Reuse Parcel TF-172-0776-01200 through tax foreclosure and proposes to sell a portion of it to Jose M. Calderon for driveway use. This lot will be disposed to three abutters, Mr. Calderon, Mr. Almonte, and Mr. Mallma.

The subject parcel is located on a short residential street near the intersection of Main Street and Monroe Street in the Fair Haven neighborhood.

PLANNING CONSIDERATIONS

Evaluation of the site was based on examination of a plot plan, the LCI PAD submission materials, the zoning regulations and the geographic information system. The City proposes to sell a portion of TF-172-0776-01200 for \$1.00. The Commission has not addressed the issue of price. This item was presented at the September 16, 2009 PAD meeting and was approved without conditions.

Mr. Calderon lives at #18 Alton St. His lot is very narrow, only 27 feet wide. His house almost occupies the entire width of the lot, consequently he lacks off-street parking. Disposing a portion of this lot to Mr. Calderon will provide ample space to construct a driveway, thus removing a vehicle from the street.

ADVICE

The Commission finds the proposed reuse of the property suitable for the site in question and recommends approval with conditions:

1. Notice to Land Records at time of closing.
2. Paved parking for other than residents and guests will require Site Plan Review.
