RE: Resolution authorizing the Mayor of the City of New Haven to enter into a one-year contract renewal with Farnam Associates LLC for grant writing services in the amount of \$35,000 to execute, acknowledge, implement and deliver any and all documents as may be considered necessary or appropriate with respect thereto.

Dear President Walker-Myers:

In accordance with the Order of New Haven Board of Alders (Board) authorizing the Mayor to apply for and accept all grants on behalf of the City of New Haven (City), passed on 17 October 1994, I write to respectfully request the Honorable Board of Alders to authorize the Mayor of the City of New Haven to enter into a one-year contract renewal with Farnam Associates, LLC in the amount of \$35,000 for grant writing services for the period of December 21, 2022 to December 20, 2023 and to execute, acknowledge, implement, and deliver any and all documents as may be considered necessary or appropriate with respect thereto.

Through this contract, Farman Associates, LLC will assist the Health Department in the identification and application of grant funding opportunities. Under the previous contract, the Health Department successfully applied for and received six-million dollars in funding for public health programming.

This is a contract renewal for an award that resulted from an RFP/Q solicitation process. The solicitation was written with the option to renew. Therefore, we are requesting **unanimous consent**.

Should you require additional information, please do not hesitate to contact me directly.

Sincerely,

A handwritten signature in blue ink, appearing to read "M. Bond", is written over a light blue horizontal line.

Dear President Walker-Meyers,

On behalf of the Department of Parks/Public Works, I hereby respectfully request approval of the attached order approving the execution of a one year option per the agreement with the Alling Memorial Golf Club, Inc. to manage and operate the Alling Memorial Golf Course. The Alling Memorial Golf Club Inc. has managed and operated the Alling Memorial Golf Course for the past twenty-six years. The agreement before your honorable board provides for the exact same terms as previous agreements

The attached order before your Honorable Board will allow the Alling Memorial Golf Club, Inc. to operate and maintain the Alling Memorial Golf Course through the 2023 calendar year. The Department will be issuing a Request for Proposals this calendar year in order to engage an operator to a long-term agreement.

In conclusion, the Department is requesting your Honorable Boards approval of the attached order allowing for the execution of a one year option per the agreement with the Alling Memorial Golf Club, Inc. to manage and operate the Alling Memorial Golf Course from January 1, 2023 through December 31, 2023.

I want to thank this Honorable Board for your consideration of the attached order. If the Department or I can be of further assistance, we are available to discuss this matter at your convenience.

Yours truly,

JEFF PESCOLIDIO

New Haven, CT 06510

President Walker-Myers:

Article II, Section 12 of the Charter of the City of New Haven sets forth a requirement that department heads be electors of the city. The Charter also provides for a remedy should the department head be unable to fulfill the requirement. Please accept this formal request for a waiver from the Charter requirement on elector status for Transportation, Traffic & Parking (“TT&P”) Director Sandeep Aysola.

Mr. Aysola has been in his current position with the City since December 13, 2021, having been hired through the services of a recruiter. His resume demonstrates his qualifications, and he has proven himself to be competent, professional and effective in this position. At the time of his recruitment, the City was assured that Mr. Aysola agreed to relocate to New Haven to comply with the residency requirement for the position. Unfortunately, Director Aysola could not fulfill the full Charter requirement of obtaining *Elector* status as he remains a Lawful Permanent Resident while he awaits his pending application for US Citizenship. Director Aysola is legally allowed to hold this position in his current status as a Lawful Permanent Resident. Having done all he could personally do to comply with the Charter requirements he would appear to be an appropriate candidate for the benefit of a favorable vote by the Board of Alders to grant a waiver of the *Elector* requirement.

Pursuant to Art. II, Sec 12D. of the Charter, the Elector requirement for an appointee department head may be waived by a majority vote of the full board of Alders if the appointee can establish a bona fide residence in the City. In this case, Director Aysola has satisfied this requirement and would be eligible for the waiver. The City’s Personnel Director has confirmed

the residency of Director Aysola within the city of New Haven and has attested to such in their enclosed letter.

I respectfully submit to you the request for waiver to allow Mr. Aysola to remain in his position as the Director of TT&P and to continue his hard work serving the good people of the city.

Respectfully,

Dear Alder President Walker-Myers,

In accordance with the Order of the Board of Aldermen authorizing the Mayor to apply for and accept all grants on behalf of the City of New Haven, passed October 17, 1994, I am respectfully requesting that the City of New Haven's Department of Police Service submit an application to the Connecticut Department of Transportation for a grant to reimburse the department for police overtime for a targeted enforcement program to increase seatbelt usage for motorists and occupants traveling in New Haven during the periods November 23-30, 2022 and May 15-June 4, 2023. The aim of the program is to reduce the number of motor vehicle crashes, injuries, and fatalities during this period at the most troublesome locations in the city.

We will be asking for up to \$20,000.00 in reimbursements which represents overtime and fringe benefit costs. We also request unanimous consent as we have received this grant in the past and the program period will be here very soon.

Thank you for your consideration in this matter. Please contact me at (203) 946-6333 with any questions.

Sincerely,

New Haven, CT 06510

Dear Alder President Walker-Myers,

In accordance with the Order of the Board of Alders authorizing the Mayor to apply for and accept all grants on behalf of the City of New Haven, passed October 17, 1994, I am writing to respectfully request that the Honorable Board approve the submission of an application by the City of New Haven's Department of Community Resilience to the U.S. Substance Abuse and Mental Health Services Administration (SAMHSA), and to accept such training if offered and to execute all documents, and partnership agreements required. The Department would like to apply for a free Train the Trainer module to establish a trauma-informed system of care for individuals involved with the criminal justice system.

The training is being offered through SAMHSA's GAINS Collaborative Center. It involves a two-day training to better understand and address trauma with their clients, and also to provide further trauma training to other professionals and peers. This model will ultimately help increase the network of trauma expertise and trauma training capacity in our community—which is anticipated to reduce recidivism, increase safety, and promote and support recovery for our justice-involved community.

Substance Abuse and Mental Health Services Administration GAINS Center

New Haven Department of Community Resilience

October 20, 2022

Request: Free training

The New Haven Department of Community Resilience seeks to apply for and subsequently offer a free trauma training through the Substance Abuse and Mental Health Services Administration’s GAINS Center. The training entitled, “How Being Trauma-Informed Improves Criminal Justice System Responses’ Train-the-Trainer (TTT)” will provide professionals who work with adult justice-involved individuals a two-day training to not only better understand and address trauma with their clients, but also to provide trauma training to other professionals and peers. This model will ultimately help increase the network of trauma expertise and trauma training capacity in our community—which is anticipated to reduce recidivism, increase safety, and promote and support recovery for our justice-involved community members. If offered the opportunity, the training will come at no cost to the City and its partners.

Dear President Walker-Myers,

I am pleased to submit for your consideration the 2023 Fee Schedule for the Alling Memorial Golf Course. After review of the fees charged at area municipal courses, we believe that the proposed schedule will continue to keep us competitive while increasing revenue for the course. This proposal has been reviewed by the Golf Course Advisory Board and will be presented to the Parks Commission for their review and approval. We wish to have these fees in place for the start of the season on approximately April 1, 2023.

Your support is greatly appreciated as we look forward to a successful 2023 season.

New Haven, CT 06510

Dear President Walker-Myers,

I am pleased to submit for your consideration the 2023 Fee Schedule for the Alling Memorial Golf Course. After review of the fees charged at area municipal courses, we believe that the proposed schedule will continue to keep us competitive while increasing revenue for the course. This proposal has been reviewed by the Golf Course Advisory Board and will be presented to the Parks Commission for their review and approval. We wish to have these fees in place for the start of the season on approximately April 1, 2023.

Your support is greatly appreciated as we look forward to a successful 2023 season.

Respectfully,

Having spoken to the three largest manufacturers on this matter the price per engine is approximately \$850,000 and Trucks are \$2,000,000.00. The City respectfully, requesting \$3.7 million dollars to make these purchases.

In the area of fire hydrants, the Fire Service currently has just over 100 of our approximately 21,34 hydrants out of service. Fire Services has the need to purchase complete hydrants and parts to make replacements and repairs. In addition, there are some our shop cannot repair or replace and must request this service from the Regional Water Authority. These costs range from \$3,000.00 to \$7,000.00. The City is requesting \$400,000.00 to start short term project of repairing and replacing hydrants in our critical areas.

If you should have any questions, please feel free to contact me at 946-6413. I thank you and hope for your favorable consideration of this item.

November 2, 2021

To: Board of Alders

From: Donald Hayden, Tax Abatement Committee Staff

Helen M. Freeman has submitted a petition to the Board of Alders for abatement (deferral of collection) of taxes due on her residence Grand List of 2021.

ORDER ABATING (DEFERRING COLLECTION OF) REAL PROPERTY TAXES DUE FROM HELEN FREEMAN ON HER RESIDENCE FOR GRAND LIST OF 2021.

ORDERED by the New Haven Board of Alders, acting pursuant to Section 12-124 of the Connecticut General Statutes, Revision of 1958 as amended, and Section 52 of the Charter of the City of New Haven, that the real property taxes laid for the Grand List of October 1, 2021 (the "Taxes"), on the premises known as 439 Central Avenue, Unit DB (the "Property"), which premises are the sole residence of Helen Freeman (the "Taxpayer"), be and hereby are abated (by which it is meant that collection of such Taxes shall be deferred) because said person is poor and unable to pay the same, provided that the following conditions shall be satisfied:

1. The Taxpayer shall execute an agreement with the City, approved by Corporation Counsel as to form and correctness, to pay the Taxes as specified in paragraph 4 hereinafter (the "Agreement"). The Taxes include the tax levied pursuant to law on the Property for the Grand List of October 1, 2021 as that tax may be reduced by any tax credits or exemptions administered by the Assessor or Tax Collector pursuant to State law ("the Tax Principal"), plus the \$24.00 lien fee associated with the recording noted in paragraph 3 hereinafter.
2. The Agreement shall be in the form and manner required for the transfer of an interest in real property. It shall contain a legal description of the Property, shall be recorded in the New Haven Land Records, shall constitute a lien on said Property, and shall remain valid until paid.
3. The Tax Collector, acting pursuant to Chapter 205 of the statutes, shall cause to be recorded in the New Haven Land Records a certificate continuing the municipal tax lien, created by Section 12-172 of the statutes, with respect to the tax levied on the Property for the Grand List of October 1, 2021.
4. The Taxes shall be due and payable in full upon the earliest of the death of the Taxpayer, or when the Taxpayer no longer resides at the Property, or upon the sale or transfer of title to the Property, whether voluntarily or involuntarily or by operation of law. Interest shall accrue at the rate of six percent per annum (one-half percent per month) on the Tax Principal specified in paragraph 1 from the due date of each installment thereof. Any interest which may have accrued in excess of such rate prior to the execution and recording of the Agreement shall be abated (eliminated). The municipal tax lien and the lien created by the Agreement shall be released by the Tax Collector when the Taxes secured thereby have been paid.
5. The Agreement, properly executed by the Taxpayer, shall be returned by the Taxpayer to the Office of Legislative Services for final review by Corporation Counsel, execution by the Mayor, and recording in the New Haven Land Records.

NEW HAVEN CITY PLAN COMMISSION ADVISORY REPORT**RE: 81, 83, 85, and 87 WOOLSEY STREET.**

MBLUs: 173 0746 01100, 173 0746 01200, 173 0746 01300, 173 0746 01400

Owner/Applicant: Fair Haven Community Health Clinic, Inc, 87 Woolsey Street LLC; **Agent:** M. Miles**Petition for Zoning Ordinance Map Amendment**

Change the Zoning Designation of 81, 83, 85 and 87 Woolsey Street from RM-2 to BA-1.

REPORT: 1618-07**ADVICE:** Approval with concerns**BACKGROUND**

Fair Haven Community Health Clinic, Inc and 87 Woolsey Street LLC propose to change the Zoning Designation of 81, 83, 85 and 87 Woolsey Street from RM-2 (High-Middle Density Residence) to BA-1 (Neighborhood Center Mixed Use Business), increasing the size of the BA-1 corridor from 28.4 acres to 28.8 acres. This Zoning Map Amendment is proposed to facilitate expansion of the Fair Haven Community Health Clinic, located on Grand Avenue, with existing surface parking at 81 Woolsey Street. A Notice of Federal Interest (NOFI) applies to the properties included in this petition as well as three parcels on Grand Avenue. On September 1, 2021, the Federal Health Resources and Services Administration awarded Grant No. C8ECS44742-01-00 to the Fair Haven Community Health Clinic, Inc. The grant provides Federal funds for the expansion and improvement of the clinic and parking lot, with the Woolsey Street parcels designated for parking use. If the current or any future property owner wishes to change the use of the parcels covered by the NOFI, permission must be granted by the Federal Government.

An application has been filed with the City Plan Commission by this same Applicant, to convert the 81, 83, 85 and 87 Woolsey Street lots into a surface parking lot for the Clinic building on Grand Avenue. It is Planning Staff's understanding that should the Zoning Map Amendment be passed, the lot would be expanded by 10 parking spaces in the future, which would be permitted as-of-right.

CURRENT ZONING:

NHZO Article III, Section 14 - RM-2 Districts

RM-2 Districts: High-Middle Density. These districts exist for the protection of areas that have been and are being developed predominantly for high-middle density dwellings of various types. Accordingly, the use of land and **buildings** within these areas is limited in general to dwellings at a density of about 22 dwelling units per acre, and to such non-residential uses as generally support and harmonize with a middle density area. The non-residential uses permitted in RM-2 Districts, subject to adequate conditions and safeguards, are hereby found and declared to be the only appropriate such uses for such areas. It is hereby found and declared, further, that these regulations are necessary to the protection of these areas and that their protection is essential to the maintenance of a balanced community of sound residential areas of diverse types.

PROPOSED ZONING:

NHZO Article V, Section 41- Description and purpose of business and industrial districts

Business A-1 Districts—Neighborhood Center Mixed Use. These districts serve as the commercial heart of their neighborhood, are of modest scale and pedestrian orientation, and seek to preserve and restore the historic architecture and urban pattern of the city. The emphasis is on neighborhood goods and services rather than comparison shopping, with a preference for smaller pedestrian-oriented, storefront retail, dining, and other appropriate uses. They are intended as mixed-use districts with a mixture of ground floor retail, small offices, and upper story residential dwellings. Buildings are oriented to the street, parking requirements are reduced and parking maximums established to encourage walkability and community over automotive-related sprawl. New development is required by form requirements and design guidelines to conform to the neighborhood context,

to improve the retail character of the street as a neighborhood center, and to promote the health, safety and well being of residents by reducing sources of public nuisance and encouraging physical activity and community interaction and involvement.

ZONING TABLE-Listing some differences in bulk requirements between RM-2 and BA-1.

	RM-2	BA-1-Neighborhood Center Mixed Use
FAR	N/A	2.0
Building height maximum	Either 45 feet or 4 stories	45 feet (minimum 2 stories and 25 feet)
Usable Open Space/Maximum building coverage	Total coverage of principal and accessory buildings not to exceed 30% of lot area.	No minimum required
Common amenity space	N/A	No minimum required
Parking	1 space per D.U.	1 space per D.U.
Minimum yards	Front: min 17ft Rear: min 25ft Side: one at least 8ft, one at least 10ft (8ft for corner lots)	Front: max 10ft Rear: min 10ft Side: none required

Comparison of Permitted Uses

Uses permitted as-of-right in the RM-2 zone include residential use, home occupations and family daycares, some home-based office uses, religious institutions, schools and universities, cultural activities, agriculture, parks, public utilities, and healthcare uses. Uses permitted by Special Exception in the RM-2 Zone include fraternities and sororities, certain types of group homes, transition parking, temporary uses, recreation facilities, railroad and other rights-of-way, convenience stores, group daycare homes, and front yard parking.

The BA-1 zone also permits residential use, with a Special Permit required for residential use on the ground floor. Many additional commercial uses are permitted as-of-right in the BA-1 zone (for a full list, reference NHZO Article V, Section 42). A number of uses that may be less common for a Neighborhood Center Mixed Use District, or that have the potential to create a nuisance for the surrounding area, are permitted only by Special Exception or by Special Permit, including all proposed uses of greater than 5,000 net square feet, whether located in new or existing structures, in order to ensure that such relatively large proposals are compatible with and meet the general criteria and standards of the BA-1 Zone. There are also a series of Design Guidelines that apply to the BA-1 Zone. A surface parking lot in the BA-1 Zone would not be limited in size by front yard setbacks.

In summary, while the BA-1 is more restrictive than other Business Zoning designations in the city, designed to protect neighborhood character and geared toward small business districts of a neighborhood scale, it allows many additional commercial uses as-of-right. The BA-1 Zone also has bulk requirements designed for a business corridor of active storefronts with minimal front yards.

PUBLIC HEARING

A Public Hearing was held on October 19, 2022.

Topics raised in Public Testimony included:

- The need for parking for the clinic
- Support for the petition
- Questions about impact on Woolsey Street
- Whether precedent would be set for project-motivated zoning and/or spot zoning
- Concerns with front yard parking
- Community engagement that was done with the neighbors including getting input on different options

- Need for housing in the neighborhood
- Impact on property values on the street
- The importance of ensuring the surface parking lot is used instead of street parking
- The extensive community engagement conducted, and receptiveness to the community
- Parking demand management strategies at the clinic
- Conformance with the Comprehensive Plan

CONSISTENCY WITH THE POLICIES AND STANDARDS OF THE CONNECTICUT COASTAL MANAGEMENT ACT

87 Woolsey Street is located in the Coastal Management Area. Zoning text and map amendments that impact parcels in the Coastal Management Area are mandatory referrals to the Connecticut Department of Energy and Environmental Protection (DEEP). In a letter dated October 7, 2022, CT DEEP, Land and Water Resources Division staff stated that they find the proposed zoning map amendment to be consistent with the Connecticut Coastal Management Act.

TITLE 1, ARTICLE XIII, SECTION 2 OF THE CHARTER OF THE CITY OF NEW HAVEN

The City Plan Commission must find that, based on submitted information the proposed map amendment complies with Title 1, Article XIII, Section 2 of the Charter of the City of New Haven in that it is (i) uniform for each class of buildings or structures, (ii) made in accordance with the comprehensive plan, (iii) designed to lessen congestion in the streets, secure safety from fire, panic and other dangers, promote health and the general welfare, provide adequate light and air, prevent the overcrowding of land, avoid undue concentration of population, facilitate the adequate provisions for transportation, water, sewerage, parks and other public requirements, and (iv) made with reasonable consideration as to the character of the proposed BA-1 District and its peculiar suitability for particular uses and with a view to conserving the value of buildings and encouraging the most appropriate use of land throughout the City.

See comments on (ii) and (iv) under section 'a' below.

SECTION 64(d)(2)c OF THE NEW HAVEN ZONING ORDINANCE

Section 64(d)(2) requires that the City Plan Commission take into consideration in evaluating any amendment to the Zoning Map:

a. Errors in the existing ordinance, changes that have taken place in the city and in patterns of construction and land use, the supply of land and its peculiar suitability for various purposes, the effect of a map change on the surrounding area, the purposes of zoning and the comprehensive plan of the City of New Haven;

Woolsey Street is a medium-density residential street composed primarily of multi-family houses. Vision 2025, the City's Comprehensive Plan, calls for medium-density residential (RM-2) land use in this area, with no expansion of the Grand Avenue commercial corridor (BA-1) into this residential area. Vision 2025 also calls for rehabilitation of existing housing stock in Fair Haven, revitalization of residential areas near significant green spaces such as Criscuolo Park, and emphasizes the need for affordable, high-quality housing. Should the map change be granted, many commercial uses would be allowed as-of-right on Woolsey Street and the applicable bulk requirements would be those of the BA-1 zone, potentially allowing for a significant disruption of the residential block. However, it is likely that the Fair Haven Community Health Clinic will be present in this location and using these parcels for parking for a long time and the City Plan Commission has determined that a map change is appropriate for these parcels.

b. Whether some other method or procedure under the zoning ordinance is more appropriate; and

The City Plan Commission has determined that a map change is appropriate for these parcels. Another procedure to achieve the applicant's goals for the parcels, would be an application to the Board of Zoning Appeals for a Special Exception to permit front yard parking.

c. In the case of a map change, the size of the area involved. As a general policy, the City Plan Commission shall not consider favorably any petition which would result in a total contiguous area (separated only by streets, and excluding the area of streets) of less than two acres in the case of a residence district, less than one acre in the case of a Business District, or less than four acres in the case of an Industrial District.

Should the Zoning Map Amendment occur, the BA-1 district would increase from ~28.4 acres to a total contiguous area of ~28.8 acres.

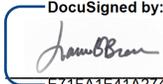

PLANNING CONSIDERATIONS

Community Health Clinics are important to our community, working to address health inequities, particularly in low-income and immigrant communities and the expansion of these services by Fair Haven Community Health Clinic will likely have tangible impacts on nearby residents. In their deliberations, the City Plan Commissioners noted the great need for additional parking for the clinic, community support for the petition, and the fact that the zoning change would create a contiguous expansion of the existing BA-1 Zone. The City Plan Commission acknowledges that rezoning four parcels in the middle of a medium-density residential street could create significant disruption and nuisance for the neighborhood in the future, should the use as a surface parking lot be changed. However, given the Fair Haven Community Health Clinic’s long-term plans for the site and the Notice of Federal Interest that requires Federal approve for a change of use of the parcels, the Commission believes a Zoning Map Amendment is appropriate.

FINDINGS AND ADVICE

Based on all of the above it is the recommendation of the Commission that the proposed map amendment is in compliance with the standards and requirements of Title 1, Article XIII, Section 2 of the Charter of the City of New Haven and Section 62(d)(2) of the New Haven Zoning Ordinance and should be approved. The Commission recommends that the Board of Alders consider fully all the points in this report, including some concerns raised.

NEW HAVEN CITY PLAN COMMISSION ADVISORY REPORT**RE: 175 WOOSTER STREET.**

MBLU: 207 0543 02400

Owner/Applicant: Zeneli Properties, LLC; **Agent:** R. Lemley**Petition to Amend the New Haven Zoning Map**

Change the Designation of 0.184 Acres of land located at 175 Wooster Street (Map 207-Block 0543- Parcel -02400) From Residential (RM-2) to General Business (BA) Zoning District Classification.

REPORT: 1618-08**ADVICE:** Approval**BACKGROUND**

The 0.184-acre property is the site of a commercial building and surface parking lot at Wooster Street and DePalma Center. The parcel is the only parcel zoned RM-2 on this block of Wooster Street, the remainder at zoned BA. The proposed Map Amendment integrates the property into the adjacent BA zoning district.

CURRENT ZONING:

RM-2 Districts: High-Middle Density. These districts exist for the protection of areas that have been and are being developed predominantly for high-middle density dwellings of various types. Accordingly, the use of land and *buildings* within these areas is limited in general to dwellings at a density of about 22 dwelling units per acre, and to such non-residential uses as generally support and harmonize with a middle density area. The non-residential uses permitted in RM-2 Districts, subject to adequate conditions and safeguards, are hereby found and declared to be the only appropriate such uses for such areas. It is hereby found and declared, further, that these regulations are necessary to the protection of these areas and that their protection is essential to the maintenance of a balanced community of sound residential areas of diverse types.

PROPOSED ZONING:

Business A Districts: General Business. These districts serve several functions. They provide central concentrations of convenience goods and services for one or more neighborhoods, supplemented by more scattered stores for such goods and services within the neighborhoods provided for under a special provision of the regulations for residence districts. They provide comparison shopper's goods, specialty goods, amusements, and numerous services for less than a citywide market. And they also provide locations for small businessmen with a city-wide market who cannot operate in the downtown area. The predominant purpose of all these functions is retail trade..

ZONING TABLE-Listing some differences in bulk requirements between RM-2 and BA.

	RM-2	BA-General Business
FAR	N/A	2.0
Building height	Either 45 feet or 4 stories	No Direct Limit
Usable Open Space/Maximum building coverage	Total coverage of principal and accessory buildings not to exceed 30% of lot area.	No minimum required
Common amenity space	N/A	No minimum required
Parking	1 space per D.U.	1 space per D.U.
Minimum yards	Front: 17ft Rear: 25 ft Side: one at least 8ft, one at least	Front: none Rear: There shall be a rear yard not less than ten feet for a

	10ft (8ft for corner lots)	building wall having an average height of 30 feet or less and not less than one foot for each three feet of average height for a building wall having an average height of more than 30 feet. Side: none required
--	----------------------------	--

Comparison of Permitted Uses

Uses permitted as-of-right in the RM-2 zone include residential use, home occupations and family daycares, some home-based office uses, religious institutions, schools and universities, cultural activities, agriculture, parks, public utilities, and healthcare uses. Uses permitted by Special Exception in the RM-2 Zone include fraternities and sororities, certain types of group homes, transition parking, temporary uses, recreation facilities, railroad and other rights-of-way, convenience stores, and group daycare homes.

The BA zone also permits residential use, with a Special Permit required for residential use on the ground floor. Many additional commercial uses are permitted as-of-right in the BA zone (for a full list, reference NHZO Article V, Section 42). A number of uses that may be less common for a General Business District, or that have the potential to create a nuisance for the surrounding area, are permitted only by Special Exception or by Special Permit.

In summary, the RM-2 zone provides very limited opportunities for the types of commercial uses found in the neighborhood (restaurants, specialty stores, cafes, etc.) Additionally, residential use on the ground floor is permitted as-of-right in the RM-2 zone, which, if created on this parcel, would create an incongruous deviation in the block of active storefronts.

PUBLIC HEARING

A public hearing was held on October 19, 2022. No members of the public gave testimony.

PLANNING CONSIDERATIONS

The proposed amendment essentially resolves an “error” in the zoning of the Wooster Square neighborhood. The section of Wooster Street where the parcel is located is one of the most well-known business districts in New Haven—known for its vibrant history and world-famous pizza restaurants. The 175 Wooster Street parcel is a key parcel in this district, serving as an “entry-way” to the business district for those traveling east along the street. The parcel has historically been used for commercial use but is limited in any changes of use by the current zoning. Rezoning the parcel to BA will allow the parcel to be integrated cohesively with the rest of the block, creating a dense, active commercial block.

Visions 2025, the Comprehensive Plan of Development, states that “general commercial mixed-use developments are encouraged between Olive Street and Interstate 91” and emphasizes the historic importance of Wooster Square as New Haven’s “Little Italy.”

The Commission notes that the parcel is within the Wooster Square Local Historic District. Any future development proposals for the parcel, or proposals impacting features of the site and building visible from the Right of Way, must be granted a Certificate of Appropriateness from the Historic District Commission.

SECTIONS(S) 181 and 182 OF THE CHARTER OF THE CITY OF NEW HAVEN

The City Plan Commission finds that, based on submitted information the proposed map amendment complies with Sections 181 and 182 of the Charter of the City of New Haven in that it is (i) uniform for each class of buildings or structures, (ii) made in accordance with the comprehensive plan, (iii) designed to lessen congestion in the streets, secure safety from fire, panic and other dangers, promote health and the general welfare, provide

adequate light and air, prevent the overcrowding of land, avoid undue concentration of population, facilitate the adequate provisions for transportation, water, sewerage, parks and other public requirements, and (iv) made with reasonable consideration as to the character of the proposed BA District and its peculiar suitability for particular uses and with a view to conserving the value of buildings and encouraging the most appropriate use of land throughout the City.

SECTION 64(d)(2)c OF THE NEW HAVEN ZONING ORDINANCE

Section 64(d)(2) requires that the City Plan Commission take into consideration in evaluating any amendment to the Zoning Map:

a. Errors in the existing ordinance, changes that have taken place in the city and in patterns of construction and land use, the supply of land and its peculiar suitability for various purposes, the effect of a map change on the surrounding area, the purposes of zoning and the comprehensive plan of the City of New Haven;

The proposed Zoning Map Amendment is consistent with patterns of land-use for this area and will have a positive impact on the surrounding impact by better integrating the parcel with the rest of the block and business district. The proposed Zoning Map Amendment is consistent with the Comprehensive Plan of the City of New Haven which calls for mixed-use development in the area.

b. Whether some other method or procedure under the zoning ordinance is more appropriate; and

The Commission agrees that a Zoning Map Amendment is the most appropriate method to achieve objectives for this parcel.

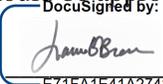

c. In the case of a map change, the size of the area involved. As a general policy, the City Plan Commission shall not consider favorably any petition which would result in a total contiguous area (separated only by streets, and excluding the area of streets) of less than two acres in the case of a residence district, less than one acre in the case of a Business District, or less than four acres in the case of an Industrial District.

The proposed change will result in a ~3.56-acre BA district adjacent to both RM-2 and Park zoned areas.

FINDINGS AND ADVICE

Based on the above it is the recommendation of the Commission that the proposed map amendment is in full compliance with the standards and requirements of Section(s) 181 and 182 of the Charter of the City of New Haven and Section 62(d)(2) of the New Haven Zoning Ordinance and should be approved.
