**ORDINANCE**

This request comes from the City's Livable City Initiative Bureau (LCI) regarding the disposition of a vacant City-owned single-family house. This is in accordance with Section D(8) of the City's Land Disposition Agreement Guidelines, "**The proposal shall be forwarded in the following sequence for further consideration: 1. PAD (approval required); 2. City Plan Commission (advisory review); and 3. LCI Board of Directors (approval required).**" Accordingly, the Planning Commission may provide an advisory report.

**BACKGROUND**

On February 15, 2017, the City Plan Commission recommended approval of a PAD referral approving a request of the Purchasing Agent on behalf of LCI for an emergency procurement in the amount of \$41,000 (CPC Report #1527-06). Due to a severity of nuisances and the risk to the general public and first responders at 572 Winthrop Avenue, an emergency environmental clean-up was performed, and the City placed a lien on the property in the amount of \$41,000.

The City of New Haven now proposes to dispose of this vacant single-family residential structure to Beulah Land Development Corp. who will rehabilitate this structure and sell it to an owner occupant. This property must be sold to an owner occupant for a combined period not less than (10) years. inclusive of successive ownership. unless a more extensive period is required by federal law. the Property Acquisition and Disposition Committee (PAD). the Board of Director of Livable Cit Initiative LCI and *I* or the Board of Alders of the City of New Haven. The rental unit will be deed restricted at 80% or below for a minimum period of 20-years. Non-profits pay \$1000 per unit per the PAD guidelines.

At the PAD committee meeting on February 15, 2023, the committee voted 5-1 to approve this disposition. Alder Antunes voted no.

Planning Commission considerations include whether:

- The property is or should be used for municipal purposes.
- The site is not adjacent to a park to create additional park land.
- The property is an interior lot.<sup>1</sup>
- The site could be used as a pocket park or community garden.<sup>2</sup>
- The comprehensive plan identifies or will identify resources within this area for which this parcel could be used.

**PLANNING CONSIDERATIONS:**

The proposal will achieve the following Comprehensive Plan Goals:

- Develop land uses that are compatible with the character of the surrounding area.
- **“Continue to use the city’s Land Disposition Agreement (LDA) to advance housing and neighborhood objectives, including appropriate densities, home ownership and contextual design.”**
- **“Use redevelopment and other tools to address nuisance and deterioration issues, including uses that are deleterious to neighborhoods in general.”** (The City’s Comprehensive Plan) – This is a redevelopment tool to keep property from becoming deleterious to the neighborhood.
- **"Create diverse housing stock suitable for all abilities, ages and incomes."**
- **"Encourage neighborhood stability."**
- **“Enhance quality of the housing stock.”** (The City’s Comprehensive Plan)
- **“Encourage sustainable housing developments.”** (The City’s Comprehensive Plan)

**RECOMMENDATIONS**

The Commission makes the following recommendations for the proposed acquisition:

- Robust community engagement should be conducted as rehabilitation plans are developed.
- Opportunities for local apprentices to be involved in the project should be pursued.

**ADVICE:**

To approve based on this proposal’s alignment with the City’s Comprehensive Plan.
