New Haven, CT 06510

Dear President Walker-Meyers,

The City will again host the Freddy Fixer Parade. The Parade Committee has worked with city staff to review the logistics of the event. The event will take its traditional route down Dixwell Ave beginning at Bassett Street and continuing past the review stand by the Q House. In addition to Board Approval, the Parade will be declared and the route will be advertised in the Register as per ordinance and the City will use its Everbridge notification system to alert residents in the vicinity of the route.

City staff will continue to work with the Parade Committee to ensure a successful event. I respectfully request the approval of the associated road closures for this annual event.

Very truly yours,

Rebecca Bombero
Deputy Chief Administrative Officer

RE: RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF NEW HAVEN TO ACCEPT A NON-COMPETITIVE IMMUNIZATION AND VACCINES FOR CHILDREN COVID-19 SUPPLEMENTS GRANT FROM THE CONNECTICUT DEPARTMENT OF PUBLIC HEALTH IN THE AMOUNT OF \$434,680 FOR THE PERIOD OF SEPTEMBER 1, 2023 TO JUNE 30, 2025 AND TO EXECUTE, ACKNOWLEDGE, IMPLEMENT AND DELIVER ANY AND ALL DOCUMENTS AS MAY BE CONSIDERED NECESSARY OR APPROPRIATE WITH RESPECT THERETO.

Dear Alder Walker-Myers:

In accordance with the Order of New Haven Board of Alders (Board) authorizing the Mayor to apply for and accept all grants on behalf of the City of New Haven (City), passed on 17 October 1994, I write to respectfully request the Honorable Board of Alders to authorize the Mayor of the City of New Haven to accept an immunization and vaccines for children COVID-19 grant from the Connecticut Department of Public Health in the amount of \$434,680 for the period of September 1, 2023 to June 30, 2025 and to execute, acknowledge, implement, and delivery any and all documents as may be considered necessary or appropriate with respect thereto.

The grant runs from September 1, 2023 to June 30, 2025. With these funds, the New Haven Health Department aims to enhance ongoing efforts to support immunization activities and media campaigns to help educate New Haven residents on the importance of vaccinations in the mitigation of serious illnesses. The funds will support routine vaccinations, influenza, and COVID-19 vaccinations for residents of all ages. Staff funded by this grant will engage residents to inform them about the importance of on-schedule immunizations (for children and adults) and will utilize local media sources to promote this message in both English and Spanish. Due to the non-competetive nature of this grant, **we are seeking unanimous consent.**

Should you require additional information, please do not hesitate to contact me directly.

Sincerely,

A handwritten signature in blue ink, appearing to read 'M. Bond', is written over a light blue circular stamp.

..BODY

WHEREAS, the New Haven Health Department recognizes the importance of immunizations for New Haven residents; and

WHEREAS, the City of New Haven will receive funding from the Connecticut Department of Public Health; and upon receipt of such grant, the City will accept said grant in its entirety; and

WHEREAS, the New Health Department will utilize these funds to enhance existing work to educate residents about the importance of on-schedule immunizations. Staff funded by this grant will engage residents to inform them about the importance of vaccinations (for children and adults) and will utilize local media sources to promote this message in both English and Spanish. Funds will support initiatives focused on routine vaccinations, influenza, and COVID-19 vaccinations;

NOW, THEREFORE, be it RESOLVED by Board of Alders of the City of New Haven that the Mayor, on behalf of the City, is authorized to accept the grant funding mentioned herein from the Connecticut Department of Public Health; and

BE IT FUTHER RESOLVED that the Mayor is authorized to execute said grant award in the amount of \$434,680 and to execute any revisions, amendments or modifications to said contract.

EXECUTIVE SUMMARY

The City of New Haven Health Department plans to utilize its \$434,680 in funding from the Immunization and Vaccines for Children COVID-19 supplements grant to enhance local health efforts to support immunization activities and media campaigns to help educate New Haven residents on the importance of vaccinations in the mitigation of serious illnesses. The funds will be used to support routine vaccinations, influenza, and COVID-19 vaccinations.

Re: Yale University – 37 Hillhouse Avenue

Dear President Walker-Myers and Honorable Members of the Board of Alders:

On behalf of Yale University, and pursuant to the Order of the Board of Alders adopted on September 6, 2016 (File No. LM-2016-0241) (the “Order”) approving Yale University’s Central/Science Campus Overall Parking Plan (“OPP”), we are communicating to you in order to request a determination and adoption of a resolution by unanimous consent certifying that the enclosed Application for Variance and the subsequent related application for Development Permit/Site Plan Review (the “Zoning Applications”) do not require an amendment to the OPP. The Order requires review by the Board of Alders of certain zoning applications of Yale University which propose new entitlements for the purpose of determining whether the application requires an amendment to the OPP. The Order specifically allows the Board of Alders to make such a determination by unanimous consent. This letter and the documents submitted herewith provide information enabling the Board of Alders to make a determination that an OPP amendment is not required. Enclosed are copies of the application and plans submitted to the Board of Zoning Appeals on April 10, 2023.

The Zoning Applications relate to an addition to the existing building located on property owned by the University at 37 Hillhouse Avenue. The variance application seeks variances to allow the south side wall of the addition to be closer to the side property line than otherwise permitted. The proposed addition will improve accessibility to and within the existing building and provide additional accessible program space, including a new accessible entrance at the south side of the building, new elevator and new egress stair. The project will add 7,503 square feet of gross floor area to the gross floor area of the existing building. Following action by the Board of Zoning Appeals on the variance application, the University will submit an application for Development Permit/Site Plan Review to the City Plan Commission for the project.

No parking spaces will be added or lost as a result of the project. No parking is required for the project under Section 12(b)(1)(g) of the Zoning Ordinance since the project will not

expand the University's existing student body, no faculty or employees will be added, and no new places of assembly will be created.

For all the reasons outlined in this submission, Yale University respectfully requests a determination and resolution by the Board of Alders by Unanimous Consent certifying that the Zoning Applications do not require an amendment of the OPP. A draft resolution is enclosed.

WHEREAS, the Application for Variance and subsequent related Application for Development Permit/Site Plan Review involve an addition to the building at 37 Hillhouse Avenue, all as set forth more particularly in the communication submitted by Yale University.

NOW, THEREFORE, BE IT RESOLVED that the request of Yale University is hereby approved and the Board of Alders hereby determines and certifies that an amendment to Yale University's Central/Science Campus Overall Parking Plan is not required for the Application for Variance submitted to the Board of Zoning Appeals on April 10, 2023 or the subsequent related Application for Development Permit/Site Plan Review to be submitted to the City Plan Commission following completion of the Board of Zoning Appeals proceedings.

Re: Yale University – 24 Hillhouse Avenue

Dear President Walker-Myers and Honorable Members of the Board of Alders:

On behalf of Yale University, and pursuant to the Order of the Board of Alders adopted on September 6, 2016 (File No. LM-2016-0241) (the “Order”) approving Yale University’s Central/Science Campus Overall Parking Plan (“OPP”), we are communicating to you in order to request a determination and adoption of a resolution by unanimous consent certifying that the enclosed Application for Variance (the “Application”) does not require an amendment to the OPP. The Order requires review by the Board of Alders of certain zoning applications of Yale University which propose new entitlements for the purpose of determining whether the application requires an amendment to the OPP. The Order specifically allows the Board of Alders to make such a determination by unanimous consent. This letter and the documents submitted herewith provide information enabling the Board of Alders to make a determination that an OPP amendment is not required. Enclosed are copies of the Application and plans submitted to the Board of Zoning Appeals on April 10, 2023.

The Application seeks variances to permit construction of an accessible entrance ramp and code-compliant entry steps and landing on the Trumbull Street side of the existing building located on the property owned by the University at 24 Hillhouse Avenue. The Application was required due to the location of portions of the proposed improvements within the required five foot front yard on Trumbull Street.

The Application does not involve any new buildings. No parking spaces will be added or lost as a result of the project. No parking is required for the project under Section 12(b)(1)(g) of the Zoning Ordinance since the project will not expand the University’s existing student body, no faculty or employees will be added, and no new places of assembly will be created.

For all the reasons outlined in this submission, Yale University respectfully requests a determination and resolution by the Board of Alders by Unanimous Consent certifying that the Application does not require an amendment of the OPP. A draft resolution is enclosed.

Re: Noise Ordinance Amendment

Dear. President Walker-Meyers

The Office of the Mayor submits the attached proposed amendments to the City's Noise Ordinance to address recent changes to state legislation that authorize municipalities to impose increased fines for violations of the noise ordinances by motor vehicles. As we are all aware, excessive noise from motor vehicles is an annoyance for many of our residents and our neighbors that increases exponentially over the summer months. This unwanted noise adversely affects the quality of life for many.

This proposed ordinance is intended to serve as a deterrent to this unlawful behavior by many motorists by significantly increasing the fines that can be imposed for these violations.

I trust that this issue is important to the Board as we all work together to increase and improve the quality of life for our residents.

Sincerely,

Sean Matteson
Chief of Staff

and buses that utilize engine compression release or engine retardants as a means of slowing or braking the speed of the vehicle in lieu of applying the clutch or brakes. These devices are also known as Jake brakes.

Construction means any site preparation, assembly, erection, substantial repair, alteration or similar action for or of public or private rights-of-way, structures, utilities or similar property. This term does not encompass demolitions.

Construction equipment means any equipment or device operated by fuel, electric power, air or hydraulic pressure used in construction or demolition work.

Daytime hours means the hours between 7:00 a.m. and 10:00 p.m. Mondays through Saturdays, and the hours of 9:00 a.m. through 9:00 p.m. Sundays and federal and state holidays. Unless otherwise provided, all other hours shall be construed as nighttime hours.

Decibel means a logarithmic unit of measure used in measuring magnitudes of sound. The symbol is dB. SPL (sound-pressure level) is defined as:

$$\text{SPL} = 20 \log P \text{ in dB/Po}$$

Where $P_o = 0.0002$ microbars

Demolition means any dismantling, intentional destruction or removal of structures, utilities, public or private right-of-way surfaces or similar property.

Domestic power equipment means power saws, drills, grinders, lawn and garden tools and other similar devices.

Emergency means any occurrence or set of circumstances involving actual or imminent physical trauma or property damage which demands immediate action.

Emergency vehicle means any motor vehicle authorized by Conn. General Statutes Section 14-283 as amended from time to time and the City of New Haven to have sound-warning devices such as sirens and bells which can lawfully be used when responding to an emergency.

Emergency work means work made necessary to restore property to a safe condition following an emergency, or work required to protect persons or property from exposure to imminent danger.

Impulse noise means a sound of short duration, usually less than one (1) second, with an abrupt onset and rapid decay.

Industrial zone means all industrial districts as defined by the zoning regulations of the City of New Haven, including but not limited to IL, IM and IH Districts.

- **Loud amplification device or similar equipment shall include, but not be limited to, a radio, television, phonograph, stereo, record player, tape player, cassette player, compact disc player, loud speaker, sound amplifier or external speaker attached to a motor vehicle or motorized recreational vehicle which is operated in such manner that it creates noise.**

Loud amplification device or similar equipment shall include, but not be limited to, a radio, television, stereo, record player, tape player, cassette player, compact disc player, loud speaker or sound amplifier which is operated in such manner that it creates noise.

Muffler means a device for abating sounds such as those produced by escaping gases.

Noise means any sound, the intensity of which exceeds the standards set forth in this article as it is amended from time to time.

Noise level means the sound-pressure level in decibels as measured with a sound-level meter using the A-weighting network. The level so read is designated dB(A) or dBA.

Person means any individual, firm, partnership, association, syndicate, company, trust, corporation, municipality, agency or political or administrative subdivision of the state or other legal entity of any kind.

Premises means any building, structure, land or portion thereof, including all appurtenances, yards, lots, courts, inner yards, and real properties without buildings or improvements, owned or controlled by a person. The emitter's "premises" includes contiguous publicly dedicated street and highway rights-of-way, all road rights-of-way and waters of the state.

Property line means that real or imaginary line along the ground surface and its vertical extension which separates real property owned or controlled by any person from contiguous real property owned or controlled by another person, and separates real property from the public right-of-way.

Public right-of-way means any street, avenue, boulevard, highway, sidewalk, alley, park, waterway, railroad or similar place which is owned or controlled by a governmental entity.

Recreational vehicle means any internal-combustion-engine-powered vehicle which is being used for recreational purposes.

Refuse means municipal solid waste, bulky waste and yard waste, garbage, household rubbish, ashes and any organic wastes normally produced from the handling and use of foods, except dishwater and wastewater.

Residential zone means all city-owned property used for recreational or educational purposes, all residential districts (RS-1, RS-2, RM-1, RM-2, RH-1, RH-2 and RO), any commercial district when used for residential purposes, as defined in the zoning regulations of the City of New Haven as they are amended from time to time, and all uses permitted therewith either as a right or as a special use.

Sound means a transmission of energy through solid, liquid or gaseous media in the form of vibrations, which constitute alterations in pressure or position of the particles in the medium, and which, in air, evoke physiological sensations, including but not limited to an auditory response when impinging on the ear.

Sound-level meter means an instrument used to take sound-level measurements and which should conform, at a minimum, to the operational specifications of the American National Standards Institute for Sound Level Meters, S1.4-1971 (Type S2A) as amended from time to time.

Sound-pressure level means twenty (20) times the logarithm to the base ten (10) of the ratio of the pressure of a sound to the reference pressure of twenty (20) micronewtons per square meter (20×10^{-6} newtons/meter²) and which is expressed in decibels (dB).

The following shall be exempt from these regulations, subject to special conditions as provided herein:

(1)

Noise generated by any construction equipment which is operated between the hours of 7:00 a.m. and 10:00 p.m. on Mondays through Saturdays, and 9:00 a.m. and 9:00 p.m. on Sundays. The building official or the director of the department of public works must approve the operation of the same during hours other than those allowed by this section. The person requesting such approval must apply for it at least seven (7) days before the date for which approval is sought. Approval may be granted if the requesting person makes an advanced payment for the actual cost of such inspection services as may be required under applicable rules and regulations as amended from time to time;

(2)

Noise created as a result of or relating to an emergency;

(3)

Noise from domestic power equipment such as, but not limited to, power saws, sanders, grinders, lawn and garden tools or similar devices operated between the hours of 7:00 a.m. and 10:00 p.m. on Mondays through Saturdays, and 9:00 a.m. and 9:00 p.m. on Sundays, provided that **noise** discharged from exhaust is reasonably muffled;

(6)

Noise created by any aircraft flight operations, which the Federal Aviation Administration specifically preempts;

(7)

Noise created by any lawful recreational activities, and for which the city has granted a license or permit, including but not limited to parades, sporting events, outdoor concerts, firework displays and non-amplified religious activities;

(8)

Noise involving blasting other than that conducted in connection with construction or demolition activities, provided that the blasting is conducted between the hours of 7:00 a.m. and 10:00 p.m. on Mondays through Saturdays, and 9:00 a.m. and 9:00 p.m. on Sundays, at specified hours previously announced to the local public, or provided that a permit for such blasting has been obtained from local authorities;

(9)

Noise created by products undergoing tests, where one (1) of the primary purposes of the test is to evaluate product noise characteristics, and where practical noise control measures have been taken;

(10)

Noise generated by transmission facilities, distribution facilities and substations of public utilities providing electrical power, telephone, cable television or other similar services, and located on property which is not owned by the public utility, and which may or may not be within utility easements.

The Honorable Tyisha Walker-Myers
President, Board of Alders
City of New Haven
165 Church Street
New Haven, CT 06510

Dear Alder President Walker-Myers,

In accordance with the Order of the Board of Alders authorizing the Mayor to apply for and accept all grants on behalf of the City of New Haven, passed October 17, 1994, I am writing to respectfully request the Honorable Board to approve the submission of an application to the U.S. Department of Justice, Community Oriented Policing Services Office, for a two-year, \$160,000.000 grant for the New Haven Police Department (NHPD) to develop and carry out a plan for agency accreditation.

As you know, The Police Accountability Act of 2021 mandates that law enforcement agencies in the state of Connecticut become accredited. This funding would enable the Property and Evidence Unit of the Administrative Division to engage a consultant to conduct an audit which will make recommendations to improve its management of property and evidence. This audit will include a policy, procedure, and facility review; case audit; and executive summary. The proposed consultant, Evidence Control Systems, Inc., has provided consulting services to nearly one hundred police departments across the country and Canada over the past 35 years. These include Atlanta, Chicago, Flint, Miami, New Orleans, and Houston.

The NHPD has been working on accreditation requirements over the past several years. These include reviewing general orders of the property room and evidence, the installation of security cameras for the interior and exterior of the main property room, building a warehouse to safely store evidence, and working with ProPhoenix Corporation to help build the CAD/TMS platform to meet the specific needs of the property room. The grant would enable us to purchase necessary equipment including evidence lockers and an electric key management system for security.

Thank you for your consideration. Please contact me if you have any further questions.

Sincerely,

Karl Jacobson
Chief of Police

EXECUTIVE SUMMARY

US Department of Justice: 2023 Supporting Law Enforcement Agencies in Seeking Accreditation

New Haven Department of Police Service

April 2023

Funding request: \$160,000.00 for two years

The New Haven Police Department is seeking funding from the U.S. Department of Justice to develop and carry out a plan for agency accreditation, per state statute. A consultant will be hired to conduct an agency audit of operations and assist personnel with complying with recommendations to improve management and service delivery. Funds will be used to support technology and related equipment.

..TITLE

ORDER OF THE BOARD OF ALDERS OF THE CITY OF NEW HAVEN AUTHORIZING THE MAYOR OF THE CITY OF NEW HAVEN TO SUBMIT AN APPLICATION TO THE U.S. DEPARTMENT OF JUSTICE, COMMUNITY ORIENTED POLICING SERVICES, 2023 GRANT SUPPORTING LAW ENFORCEMENT AGENCIES IN SEEKING ACCREDITATION, IN AN AMOUNT NOT TO EXCEED \$160,000.00 TO ASSIST THE DEPARTMENT WITH ITS ACCREDITATION ACTIVITIES, INCLUDING HIRING A CONSULTANT TO CONDUCT AN AUDIT OF THE DEPARTMENT'S PROPERTY ROOMS AND WORK WITH PERSONNEL TO FULFILL REQUIREMENTS OF ACCREDITATION AND TO PURCHASE EQUIPMENT AND SUPPLIES, AND TO ACCEPT SUCH FUNDS IF OFFERED AND TO EXECUTE ALL DOCUMENTS AND CONTRACTS AS NECESSARY.

..BODY

WHEREAS, the City of New Haven through its Department of Police Service (NHPD) seeks to enhance and improve its operations to achieve accreditation; and

WHEREAS, state accreditation is a process through which law enforcement agencies demonstrate excellence in management and service delivery by complying with state accreditation standards; and

WHEREAS, the NHPD, per state statute "The Police Accountability Act," is mandated to complete an accreditation process to become an accredited agency; and

WHEREAS, the NHPD is committed to becoming an accredited agency, having begun the process by working on critical tasks including reviewing general orders of the property room and evidence, installing security cameras inside and outside the room, preparing inventory, developing a manual on packaging evidence, building a warehouse at its Training Academy to safely store evidence; and working with ProPhoenix Corporation to help build the CAD/RMS platform to meet the specific needs of the property room; and

WHEREAS, the U.S. Department of Justice Office of Community Oriented Policing Services offers funding to advance the accreditation process; and

WHEREAS, the NHPD Property and Evidence Unit of the Administrative Division is prepared to use this funding to conduct an audit and use the recommendations of same to improve its management of property and evidence, which is essential to the accreditation process; and

WHEREAS, the Board of Alders supports the efforts of the NHPD to become an accredited agency to better meet the public safety needs of the City of New Haven; and

NOW, THEREFORE BE IT ORDERED THAT the Board of Alders of the City of New Haven authorizes the Mayor of the City of New Haven to apply for funds offered by the U.S. Department of Justice Office of Community Oriented Policing Services in the amount of \$160,000.00 for a period of 24 months and to accept such funds, if offered, and to execute all documents and contracts as necessary.

New Haven, Connecticut 06510

RE: Order authorizing the Mayor of the City of New Haven to apply for and accept an Overdose Data to Action: Limiting Overdose through Collaborative Actions in Localities (OD2A: LOCAL) grant award of \$2,750,000 for the period of August 1, 2023 to July 31, 2028 from Centers for Disease Control and Prevention and to execute, acknowledge, implement and deliver any and all documents as may be considered necessary or appropriate with respect thereto.

Dear Alder Walker-Myers:

In accordance with the Order of New Haven Board of Alders (Board) authorizing the Mayor to apply for and accept all grants on behalf of the City of New Haven (City), passed on 17 October 1994, I write to respectfully request the Honorable Board of Alders to authorize the Mayor of the City of New Haven to apply for and accept the Overdose Data to Action: Limiting Overdose through Collaborative Actions in Localities (OD2A: LOCAL) grant award from the Centers for Disease Control and Prevention in the amount of \$2,750,000 and to execute, acknowledge, implement and deliver any and all documents as may be considered necessary or appropriate with respect thereto.

With these funds, the New Haven Health Department will work to decrease stigma surrounding opioid use disorder, increase the number of medical providers who offer medication assisted treatment, connect individuals with substance use disorders and mental health needs to treatment, and develop data sharing systems between the health department and first responders. A more detailed description of the program is provided in the Executive Summary.

Should you require additional information, please do not hesitate to contact me directly.

Sincerely,

ORDER AUTHORIZING THE MAYOR OF THE CITY OF NEW HAVEN TO APPLY FOR AND ACCEPT AN OVERDOSE DATA TO ACTION: LIMITING OVERDOSE THROUGH COLLABORATIVE ACTIONS IN LOCALITIES (OD2A: LOCAL) GRANT AWARD OF \$2,750,000 FOR THE PERIOD OF AUGUST 1, 2023 TO JULY 31, 2028 FROM CENTERS FOR DISEASE CONTROL AND PREVENTION AND TO EXECUTE, ACKNOWLEDGE, IMPLEMENT AND DELIVER ANY AND ALL DOCUMENTS AS MAY BE CONSIDERED NECESSARY OR APPROPRIATE WITH RESPECT THERETO.

..BODY

WHEREAS, the New Haven Health Department recognizes the importance of increasing providing New Haven's residents with services for opioid use disorder; and

WHEREAS, the City of New Haven will apply for funding from the Centers for Disease Control and Prevention; and upon receipt of such grant, the City will accept said grant in its entirety; and

WHEREAS, with this funding the City of New Haven Health Department will work to decrease stigma surrounding opioid use disorder, increase the number of medical providers who offer medication assisted treatment, connect individuals with substance use disorders and mental health needs to treatment, and develop data sharing systems between the health department and first responders; and

WHEREAS, the Overdose Data to Action: Limiting Overdose Through Collaborative Actions in Localities (OD2A: Local) grant is only available to local health departments, local health districts, and special district health departments and because grant awards are intended for populations sizes of $\geq 600,000$, the City of New Haven Health Department intends to subcontract with the Waterbury Department of Public Health, Milford Health Department, Quinnipiac Valley Health District, and East Shore District Health Department; and

WHEREAS, of the local health departments and districts in New Haven County, Waterbury Department of Public Health, Milford Health Department, Quinnipiac Valley Health District, and East Shore District Health Department have stated their interest in partnering with the City of New Haven Health Department on this grant, approximately thirty-percent of these grant funds will go directly to these health departments and districts to ensure equitable services are available to New Haven county residents; and

NOW, THEREFORE, be it ORDERED by Board of Alders of the City of New Haven that the Mayor, on behalf of the City, is authorized to apply for and accept the grant mentioned herein from the Quinnipiack Valley Health District; and

BE IT FUTHER ORDERED that the Mayor is authorized to execute said application for funding for an amount of about \$2,750,000 and to execute any revisions, amendments or modifications to said contract.

Executive Summary

New Haven has seen dramatic increases in drug overdoses each year. According to the US Census, with a population of over 130,000, New Haven is a racially and ethnically diverse city; 29% of residents are White non-Hispanic, 34% are Black or African American, and 31% are Hispanic/Latinx. Nearly 40% of residents are under 25 years of age, 50% are 25 to 64, and about 11% are 65 years and older. The percent of persons in poverty is 25%. The owner-occupied housing unit rate is 28% as compared to other CT cities: Hartford 25%, Bridgeport 42%, Waterbury 45%.¹

Since 2015, the number of fatal overdose deaths has more than quadrupled in New Haven from 26 to 118 in 2021, which is the highest number of fatalities of any town or city in Connecticut. From 2019 to 2021, overdose deaths increased by 123%. There were three times as many fatal overdoses for males than females in 2021. Overdose deaths in age groups 15-24, 35-44, 55-64 doubled, but ages 45-64 more than quintupled.

Most alarming though, are the increases in fatal overdoses among people of color. According to the CT Department of Public Health (DPH) of the fatal overdoses in 2019, 29 of the individuals were White, 14 Black, and 10 Hispanic/Latinx. In 2020, fatal overdoses in people who are Black and Hispanic doubled. In 2021, the number of fatal overdoses among people who are White remained the same as 2020 but it increased to 48 and 34 for people who are Black and Hispanic/Latinx, respectively, equaling a staggering 243% increase in fatal overdoses in people who are Black and 240% increase in fatal overdoses in people who are Hispanic/Latinx since 2019.²

Similarly, the Emergency Department (ED) visits recorded in EpiCenter, also show people of color experiencing the most significant increases in ED utilization. From 2019 to September 2022, the percent of ED visits for people who are White decreased from 47% to 37%, while ED visits for people who are Black have slowly increased from 26% to 34% and the rate for those who are Hispanic/Latinx increased from 24% to 30% in 2021 and 26% 2022. The Overdose Mapping and Application Program (ODMAP), which identifies overdoses by neighborhood, underscores these same trends: increased overdoses overall but especially in the lower income neighborhoods in New Haven, such as The Hill, Fair Haven, and Newhallville.

To accomplish the New Haven Health Department's (NHV Health) mission of ensuring and advocating for the health and well-being of all residents, it is essential to disclose the health disparities and social determinants that play an instrumental role in our everyday life. The opioid epidemic is no exception. NHV Health will provide and expand access to educational resources including anti-stigma trainings, media campaigns, and academic detailing, all with a focus on "at-risk" populations, which as the data indicates, are Black and Hispanic/Latinx males. NHV Health will engage shelters, substance abuse treatment centers, mental health services, and other

service organizations whose clientele aligns with our targeted populations in our program. NHV Health currently have a gap in our ability to provide trainings and communications in Spanish. To address this identified need, our program will 1.5 FTE peer navigators and 1.0 FTE program manager.

Also, local service providers have contacted NHV Health seeking more harm reduction-related trainings for their staff, including but not limited to overdose prevention, stigma reduction against people who use drugs (PWUD), and trauma-informed care. The trainings will build upon their preexisting knowledge but will offer a deeper dive into the opioid public health emergency.

NHV Health will also continue to improve data collection, analysis, presentation, and sharing with the public and partners since as NHV Health utilizes data driven approaches to outreach. Increasing and expanding educational resources can help meet the needs of disproportionately impacted populations and lessen gaping health disparities and improve health equity. Reducing stigma will encourage PWUD find and accept support within their community.

Strategy and Approach

Surveillance and Data Sharing

Local Health Departments (LHDs) in Connecticut, including Milford Health Department, Waterbury Health Department, Quinnipiack Valley Health District and East Shore District Health Department, use ODMAP to provide ongoing surveillance of overdoses and to tailor prevention efforts for those disproportionately impacted by overdose. Although LHDs have consistent access to overdose data, there is an opportunity to share information more publicly. NHV Health's Epidemiologist I currently compiles county-wide ODMAP data to share select overdose information weekly with the public (while ensuring HIPAA compliance) using a PowerBI dashboard on the NHV HEALTH and ConnectGNH.org websites. NHV Health will also share the dashboard with other LHDs and community partners to include on their websites. The dashboard will include data such as:

- Number of overdoses
- Drugs suspected in overdoses
- Town with the highest number of overdoses
- Town with the highest percentage of overdoses (by population)
- Aggregated demographic information

Sharing this data can help the public to better understand the urgent nature of the public health emergency and to address the needs of marginalized demographic groups.

Additionally, NVH Health will continue its data sharing initiative with representatives from Milford Health Department, Waterbury Health Department, Quinnipiack Valley Health District and East Shore District Health Department. The group will continue meeting monthly to determine how to better share data and how to work together to react quickly to sudden increases

Justin Elicker, Mayor • Maritza Bond, MPH, Director of Health

in overdoses or novel trends. The goal is to have more coordinated, county-wide responses, to share best practices in prevention, and to improve surveillance.

Providers and Health Systems Support

To ensure that providers effectively manage their patients with pain, an academic detailing program (ADP) will be provided in the County utilizing the most recent provider guidelines from the CDC. The ADP will consist of three, in-person educational sessions taught by a peer navigator that focus on helping prescribers/pharmacists make appropriate decisions about opioid prescribing, signs of substance use disorder (SUD), how to use the Connecticut Prescription Monitoring and Reporting System (CPMRS), and the importance of co-prescribing naloxone. The peer navigator will contact prescribers/pharmacists throughout the County to recruit participants.

Stigma Reduction

To combat stigma against PWUD, a training will be developed (in English and Spanish) that focuses on harm reduction, reducing stigma, and overdose prevention. The training will be presented in collaboration with partnering LHDs, community-based organizations, and service providers throughout the County to recruit participants from multiple levels of the social ecological model (PWUD, community members). Additionally, training sessions will be offered and tailored to applicable to public safety and first responders. The trainings will be recorded and sent it to partner organizations and embed it within the NHV HEALTH website for anyone to view. This ensures that the program is sustainable and can continue to be used in the future.

Finally, NHV Health launch a bi-lingual communications campaign across the County to reduce stigma of opioid use disorder. The campaign will utilize online ads and social media, in addition to physical ads (e.g., billboards, newspaper ads) to reach as many people as possible.

Additionally, the training program will focus on reducing stigma by sharing positive stories of those with SUD and tips for supporting PWUD. A systematic review⁵ of studies by the British Columbia Mental Health and Addiction Services demonstrates that these are effective anti-stigma strategies.

Population of Focus

NHV Health's Academic Detailing Program (ADP) will target prescribers/pharmacists throughout the County. The training program will be available for all community members, but NHV Health will specifically recruit for PWUD and their families by partnering with service providers (e.g., treatment facilities, recovery programs, transitional housing) who will connect with their clients and staff. NHV Health regularly collaborate with local service providers and have earned their trust by providing naloxone trainings for clients and staff in the past.

54 Meadow Street, 9th Floor • New Haven, Connecticut 06519 • 203-946-6999

Justin Elicker, Mayor • Maritza Bond, MPH, Director of Health

Additionally, NHV Health will tailor a version of our training for public safety and first responders as part of new-recruit training classes and/or professional development days. This program will enhance our training to cover more topics and allow us to train public safety and first responders throughout the County.

NHV Health will ensure that activities are reaching those disproportionately impacted by substance use and overdose by collaborating closely with our partners who work with those with SUD on a daily basis. They will help us identify participants for our trainings. Further, the trainings will be presented in both English and Spanish to reach Spanish-speaking residents. By utilizing real stories, people with SUD may relate more to the campaign and feel that there is hope for their future. Also, given that Black communities are disproportionately impacted by the increases in overdose deaths, it is critical to improve data sharing to ensure that this concerning trend is analyzed and prevention programs are tailored accordingly. Our data sharing initiative will improve data sharing and overall surveillance throughout the County.

The City of New Haven convenes a Harm Reduction Taskforce, which meets monthly. The Taskforce includes people with lived experience and those who represent harm reduction groups in the area. Their input was used to guide this proposal and will continue to seek ongoing input and feedback from them to inform our decisions. NHV Health also regularly engages Community Advisory Boards to make sure that all of our programs and communications are community-driven and incorporate community feedback.

NHV HEALTH ensures that all of our materials and communications adhere to Culturally and Linguistically Appropriate Services (CLAS) standards. New Haven Health Department will present our community trainings and our communications campaign in both English and Spanish to reach the maximum number of residents. New Haven Health Department will also use the communication materials, which includes real stories from PWUD and those with SUD.

Re: Resolution Authorizing the Mayor to apply for and accept funding under the American Rescue Plan Act Capital Project Fund (CPF) made available to the State of Connecticut by the U.S. Department of Treasury for the Construction of a Multi-Purpose Community Facility in New Haven

Dear President Walker Myers:

As you are aware, the City of New Haven has worked closely with the New Haven Board of Education and State Representative Toni Walker and the rest of the delegation to secure funding of up to \$20 million under the American Rescue Plan Act's Capital Project Fund. This fund enables investments in capital assets in communities to allow improvements of buildings designed to enable work, education, and health monitoring jointly and directly.

In August 2022 the New Haven Public Schools Board of Education approved the plan to move the Adult Education Center from Ella Grasso Boulevard to the Bassett Street location. The proposed action before you authorize the Mayor to apply for and accept these funds to construct and improve the facility on Bassett Street into a Multi-Purpose Community Facility and provide a fantastic community resource in the Newhallville neighborhood.

Sincerely,

Giovanni Zinn, P.E.

Christine Hall has submitted a petition to the Board of Alders for abatement (deferral of collection) of taxes due on her residence Grand Lists of 2018 through 2022.

ORDER ABATING (DEFERRING COLLECTION OF) REAL PROPERTY TAXES DUE FROM CRISTINE HALL ON HER RESIDENCE GRAND LISTS OF 2018 THROUGH 2022.

ORDERED by the New Haven Board of Aldermen, acting pursuant to Section 12-124 of the Connecticut General Statutes, Revision of 1958 as amended, and Section 52 of the Charter of the City of New Haven, that the real property taxes laid for the Grand Lists of October 1, 2018, October 1, 2019, October 1, 2020, October 1, 2021, and October 1, 2022 (the "Taxes"), on the premises known as 194 Cranston Street, account numbers 6798 and 6799 (the "Property"), which premises are the sole residence of Christine Hall (the "Taxpayer"), be and hereby are abated (by which it is meant that collection of such Taxes shall be deferred) because said person is poor and unable to pay the same, provided that the following conditions shall be satisfied:

1. The Taxpayer shall execute an agreement with the City, approved by Corporation Counsel as to form and correctness, to pay the Taxes as specified in paragraph 4 hereinafter (the "Agreement"). The Taxes include the tax levied pursuant to law on the Property for the Grand Lists of October 1, 2018, October 1, 2019, October 1, 2020, October 1, 2021, and October 1, 2022, as that tax may be reduced by any tax credits or exemptions administered by the Assessor or Tax Collector pursuant to State law ("the Tax Principal"), plus the \$24.00 lien fee associated with the recording noted in paragraph 3 hereinafter.
2. The Agreement shall be in the form and manner required for the transfer of an interest in real property. It shall contain a legal description of the Property, shall be recorded in the New Haven Land Records, shall constitute a lien on said Property, and shall remain valid until paid.
3. The Tax Collector, acting pursuant to Chapter 205 of the statutes, shall cause to be recorded in the New Haven Land Records a certificate continuing the municipal tax lien, created by Section 12-172 of the statutes, with respect to the tax levied on the Property for the Grand Lists of October 1, 2018, October 1, 2019, October 1, 2020, October 1, 2021, and October 1, 2022.
4. The Taxes, plus any legal fees, shall be due and payable in full upon the earliest of the death of the Taxpayer, or when the Taxpayer no longer resides at the Property, or upon the sale or transfer of title to the Property, whether voluntarily or involuntarily or by operation of law. Interest shall accrue at the rate of six percent per annum (one-half percent per month) on the Tax Principal specified in paragraph 1 from the due date of each installment thereof. Any interest which may have accrued in excess of such rate prior to the execution and recording of the Agreement shall be abated (eliminated). The municipal tax lien and the lien created by the Agreement shall be released by the Tax Collector when the Taxes secured thereby have been paid.
5. The Agreement, properly executed by the Taxpayer, shall be returned by the Taxpayer to the Office of Legislative Services for final review by Corporation Counsel, execution by the Mayor, and recording in the New Haven Land Records.
