

# New Haven Shoreline Greenway

Giovanni Zinn, PE – City Engineer

City of New Haven

Engineering Department

2/29/2024

# Creating a Connection

- 2004 Greenway Study
- 2008 Establish Port Authority
- Early 2010s – Shoreline Greenway
- 2015 Bike Map
- 2022 Safe Routes for All

# Purpose

- Join Farmington Canal to Shoreline Greenway
- Connect East Shore Parks
- Create safe/enjoyable path for commuting, recreation, health
- Build out City network for active transportation

## Shoreline Greenway Context

Farmington Canal – 84 miles

- ~3.3 miles in NHV

Shoreline Greenway – 25 miles

New Haven

Shoreline Greenway – 4.4 miles

# Finding a Route

- Above curb/off-street
- Connect to larger City network
- Provide adequate space
- Minimize neighborhood impacts
- Low-stress walking, running, biking
- Suitable for all ages
- Link neighborhoods to nature

# Detailed Route Plans

(if you are viewing this after the meeting, see posted PDF plans)

# Project Finances

- \$7M – Congressionally Directed Spending – US Congress – 80% Federal, 20% Match - \$1.75M – CT DOT admin
- \$2.3M – CT Bond Funds administered through CTDEEP – provides match+

# Project Schedule

- 2024
  - Accept and Execute Grant Agreements with funding partners
  - Complete design including traffic analysis
  - Apply for permits
  - Execute encroachment/land agreements
  - Complete funder reviews
- 2025
  - Bid Contracts
  - Commence Construction
