- How to read the new grant revenue exhibit (letters refer to column letters on the prior page):
  - A The total amount we were awarded for the grant in 2022-23
  - B Because of Covid-19, we are permitted to roll over unexpended money in some grants in 2023-24. It 'carries over' to the next fiscal year.
  - C This is new funding we were awarded in 2023-24
  - D Funding we haven't received yet, but expect to receive.
  - E C+D. The total new money we'll receive for the grant this year.
  - F B+E. The sum of the carryover funds and the new money. This is what's available to spend in 2023-24.
  - GE-A. This measures the change in new money only, and excludes the effect of the carryover.
  - HG/A. Calculates, on a percentage basis, the change in the new money year over year.

- No deficits are currently projected.

### **Surplus Explanation**

- If a large surplus exists in a special fund, it is usually the result of a multi-year award that is partially complete. Multi year awards are based on the completion of a project or for the operation of a particular program that extends beyond the City's fiscal year. Any remaining balances for multi-year awards will be made available in the following fiscal year or until the grant period has ended.

Administration and IT Public Safety Infrastructure	The department needs replacing our current Computer Aided Dispatch and Records Management System. Our current system was purchased from a Vendor that has been bought out by a new company and the support that we receive from the new company is subpar at best. Administration and IT Public Safety Infrastructure	The New Haven Police Department (NHPD) is requesting \$3,800,000 to cover the cost to purchase, install and support approximately 500 cameras (may include some license plate reader (LPR) cameras) throughout the city of New Haven. Cameras are routinely used as a public safety tool to increase solvability and prevent crimes. These cameras would be installed near the entrances and egresses of the city and in areas that the NHPD has determined to be hotspots through the analysis of crime heatmaps. Additionally, the City is requesting personnel cost to be added for the project	City Camera Project	\$0	\$2,331,105	\$2,331,105	\$1,771,991
Administration and IT Public Safety Infrastructure	As of 8/31, the NHPD has 319 filled positions from the 406 budgeted. 49 of those vacancies are in the rank of Police Officer - the backbone of the City's patrol. New Haven loses on average 23 officers a year to retirement and/or exiting the city while recent years have seen the department recruit new cadets, they are only able to replace what is leaving. The funding request would allow the NHPD to target up to a \$10,000 sign-on bonus (based on BOA approval guidelines) for up to 40-lateral hires from CT police departments. The City has been engaged with the recruitment of and hiring of lateral officers since 2019. Each lateral hire that would be awarded a sign-on bonus would save the City approximately \$22,000 each as opposed to the cost of a cadet going through the academy. All later hires must meet the criteria established by the New Haven Board of Police Commissioners and City of New Haven.	Bonus for Police Laterals	\$0	\$0	\$0	\$0
