Dear Attorney Levinson:

Your appeal seeking a Special Exception to allow for an additional 14 dwelling units in an existing structure in a RM-1 District was considered by the Board of Zoning Appeals on May 14, 2019. The appeal was considered in accordance with Section 63 of the New Haven Zoning Ordinance. Permission is hereby granted with the following conditions:

- Applicant will have to receive site plan approval through the City Plan Commission before a building permit can be obtained.
- The applicant must comply with Section 29(d) of the Zoning Ordinance that requires two bicycle parking spaces for the first 10 required and one additional bicycle space for each additional ten required or fraction thereof. The applicant is required to provide 41 parking spaces, and therefore, 6 bicycle parking spaces.

Permission granted by the Board will become null and void one year after the effective date of this decision, unless:

- 1. The grant of relief has been recorded on the Land Records of the City of New Haven within 120-days of the date of publication of approval; and,**
- 2. A valid permit has been issued and construction diligently pursued; or**
- 3. A Certificate of Occupancy has been issued; or**
- 4. The appeal is renewed.**

The effective date is considered the date of publication of the decision in a newspaper having substantial circulation in the municipality. Publication is scheduled for May 17, 2019. An appeal by any person aggrieved by the decision must be taken to **Superior Court Judicial District of New Haven** within fifteen (15) days after the date of publication.

A copy of the Board's decision is required to be recorded on the Land Records at your expense. Enclosed are two copies of this decision letter, one to be recorded on the Land Records in the Office of City-Town Clerk (2nd floor, 200 Orange Street), and one to be returned to this office showing proof of recording.

An application for renewal must be made in writing not less than 30 days and not more than 60 days prior to the lapse of the original approval. Only one extension of the original approval, for a period of not more than one year, may be granted.

Please be advised that the request granted is to be exercised in strict accordance with the relief sought and the plans submitted in support thereof. Any deviation from this approval required additional approval from the Board. A permit from the City of New Haven Building Department, at 200 Orange Street, Room 502, is required before commencing any work. **Please bring a copy of this decision letter showing the volume, page number, and when it was recorded on the Land Records with you when applying for a building permit.
