Policy for Fee Waiver for Youth Leagues

The intent of these procedures is to establish universal standards and expectations for the partner youth organizations that utilize City fields to maximize the opportunities for City youth, to reduce damage to fields and to ensure all leagues and/or groups to have a safe, enjoyable experience on City Fields. City Fields are intended to promote the recreation of New Haven residents and New Haven youth. Organizations must demonstrate service to New Haven Residents and demonstrate non-profit status to qualify for fee waiver status.

Expectations: Each league must adhere to the rules as established by the Ordinances of the City of New Haven, Regulations of the New Haven Board of Park Commissioners and the rules and regulations of the Parks Department governing the use of its fields. The Parks Department reserves the right to revoke any permit for failure to abide by New Haven Parks Rules, and to refuse permits in the future.

Fee Waivers: The basic field use charge will be waived for New Haven Youth Sports organizations who: 1) have at least 60% participants from New Haven and New Haven Public Schools as documented with a current roster, 2) have paid all past balances with the City of New Haven, 3) have 501(c) (3) status and a current 990 or a fiduciary organization with a current 990 4) for seasons after 2014, have complied with all regulations for previous seasons. Fee waivers cover field rental fee and field preparation for up to five week days per work week. Fee waivers **do not** cover tournament costs, lights, weekend field preparation or trash cleanup or games for non-league teams.

Transferability: Field permits are non-transferable to any group other than the agency or league affixed to your permit. If you would like to grant your reserved field time to another organization, please provide them with a letter relinquishing your time to include with their permit application. Use of your permitted field/time by a non-authorized organization for anything other than a “pickup game” will be deemed as a violation of departmental regulations.

Field Preparation and Maintenance: Field preparation and maintenance must be performed by City Staff (by Local 71 Union Agreement) and will be completed during normal working hours. Weekend field prep will be completed on Friday. Field prep requested over the weekend will be charged according to the standard field prep charges (see application).

Schedule: Field use will be granted only for the provided schedule. For leagues that request more than 10 hours of field time in a week for games and/or practices, access to online scheduling software and/or published league schedules will be required.

Tournaments: Two or more consecutively scheduled games that do not include one or more league teams. Tournaments are not covered under a fee waiver. Tournaments do not include league finals or exhibition games that involve league teams.

Season: All seasons will end by October 15th to enable work on the fields prior to the first snow. Waivers may be granted at the discretion of the Director of Parks, Recreation and Trees for limited makeup games, or for fields that do not require extensive work. No field will be granted a waiver for 2 or more consecutive years.

Rain-outs/ inclement weather Cancellations to the approved schedule will be made by the department based upon weather/field conditions. These decisions are made to protect participants and the fields. Use of the fields in violation of a cancellation will be viewed as a violation of departmental regulations.

Clean-up: Unless payment is received for clean-up, you are expected to leave the facility/field clean and in good repair. Any clean-up required by the Parks Dept. on Monday will be charged to the user group at O.T. rates. Trash removal (i.e. pick-up of filled trash bags and/or barrels your group leaves after you clean the Park) is provided by the Park Dept.
