The Board of Alders may Order the owner or owners of any land fronting on any highway or street in said City to construct or repair sidewalks, curbs within the highway adjacent to said land, in the manner and within the time specified in such Order, at such grade as said City may have constructed in said highway. Notice of such Order shall be given by the Director of Public Works to each property owner affected by said Order, in the manner prescribed for serving notices of hearing of said department. If any such owner(s) shall neglect or refuse to comply with such Order, or to remove snow, ice or sleet from the sidewalk adjacent to their land in the manner required by Ordinance, it shall be the duty of the superintendent of streets, at the expense of the City, to perform the things required by such Order or Ordinance, and the expense so incurred shall, from the time when such superintendent begins to act and make expense in the premises, be and continue a lien and real encumbrance in favor of said City upon such land. Such amount may also be recovered in an action in the name of said City.

H. Special assessment liens⁷⁰². All assessments of benefits made under this Charter shall be and remain a lien upon the property especially benefited by the public works or improvement in view of which assessments were made, but the whole amount of assessments for benefits, by reason of any such work or improvement, shall in no case exceed the cost thereof, including the damages payable; and such liens, and liens for the expenses of the laying of any sidewalk, curb by said City, or for the cleaning of any sidewalk, shall take precedence and priority of all other liens or encumbrances on the property whereon the same is imposed (except taxes and other City liens prior in date), and may be foreclosed in the same manner as though said liens were mortgages on such property in favor of said City to secure the amount of such assessment or expense; provided, that no such lien shall continue to exist longer than sixty (60) Days after such assessment shall have become payable, or, as the case may be, after such expense shall have been incurred, unless within that period a certificate of lien, in the manner and form elsewhere provided, shall be lodged with the City Clerk, to be recorded in a book kept for that purpose. When any lien is put upon any land or buildings under the Charter and bylaws of said City, such land and buildings shall be liable for the assessment and interest on the amount of such lien from the date thereof until paid, and also for the City Clerk's fee and a fee of one (\$1.00) dollar for the drafting of a lien certification, and, before such lien shall be removed, such assessment, interest and fees shall be paid to the collector.

J. Appeals from assessments⁷⁰⁴. Any party who shall be aggrieved by any Order of the Board of Alders, making any such assessments of benefits or damages, or requiring the construction of any sidewalk, curb or the payment of any part of the expense thereof, may make written application for relief to the Superior Court, to be held in and for New Haven County; provided, such party shall cause a copy of said application to be served upon the City Clerk within thirty (30) Days after the doing of the act complained of. Said court may, by a committee or otherwise, inquire into the allegations of such application, and may confirm, annul or modify the assessment or other action therein complained of, or make such Order in the premises as equity may require, and may allow costs to either party at its discretion; and said court may inquire into the validity of all the proceedings upon which said assessments or other action is based. No land taken as aforesaid shall be occupied by the City until the time for taking appeals shall have expired, and until all appeals have been finally disposed of; provided, however, if the City shall, on any such appeal, if such appeal is not taken from the layout itself, file an offer to give such security as said court may require for the payment of all such damages as may be finally awarded to the appellant, said court, or in vacation, any judge thereof, after hearing the parties upon such notice as said court or judge may deem sufficient, shall proceed to fix the security to be given by said City for the payment of said damages; and when said City shall have given the security fixed as aforesaid, said City may immediately enter upon, take possession of, and use such land for the purpose or purposes for which said land is taken. All such appeals shall be privileged cases in the superior court, and it shall be the duty of the Corporation Counsel to cause such appeals to be heard as speedily as possible.

K. Duration of liens; collection of assessments by suit; when sewer, street paving assessments effective⁷⁰⁵. Such assessments shall be and remain a lien upon the land or other property assessed by said Board of Alders as aforesaid; provided that such lien shall not remain for a longer period than sixty (60) Days after such actual expense has been ascertained, and the owner of such property notified, unless the tax collector shall sign and file with the City Clerk a certificate describing the property on which the lien exists and the amount claimed as a lien thereon; and the City of New Haven may collect the amount assessed against any street railway company in accordance with the provisions of this Charter by suit at law in any proper court. Authorized assessments for sewers and for street pavements need not be Published, but all such assessments shall be valid and of full force whenever the City Clerk shall have deposited in the post office a letter or postal card addressed to owner of the abutting property and to the street railroad company, against which any assessment may have been laid notifying such owner or railroad company of the amount of any such assessment.
