- 5:05-5:10: Meeting Minutes Approval from March 2021 (Marx)
- 5:10-5:15: Parent on the committee. (Nozetz)
- 5:15-5:30: Ordinance review (group)
- 5:30-6:00: Task Force Objectives Discussion (Group)

Back to Basics:

- Lead Pathophysiology/Treatment
- New Haven Lead Screening
- New Haven DPH Lead poisoning response
- Legal rights of stakeholders: tenants, home owners, landlords, city
- New Haven and State Level Lead Abatement

What do we as a task force specifically want to focus on accomplishing?

- Lead Toxicity Prevention: Inform and Empower
- Reduce area under the curve for those who are poisoned
- New Haven model to share with other towns
- Ensure legal rights are being exercised
- Funding for abatement
