Dear President Walker-Meyers,

I am pleased to request that the Board approve a resolution to allow rolling street closures for WPLR's Annual ShamRock & Roll – Whitney Avenue – 5K.

As the President of the Board of Alders, I solicit you to give full support for the event. This event is a great way to kick off the Saint Patrick's Day celebration in New Haven while raising funds for various local causes. On Sunday, March 6th, participants will embark on 5K run from Grove Street through a portion of the Downtown area ending on York Street as detailed in the attached route information.

The route will require rolling closures on various city streets. This event should have a limited impact on the neighborhoods and will promote a very positive cause as the event benefits local charities.

I respectfully request the approval of the rolling closure for this annual event.

Very truly yours,

Re: Determination of No Amendment Required
Yale New Haven Hospital Medical Area Overall Parking Plan

Dear President Walker-Myers and Honorable Members of the Board of Alders:

Yale New Haven Hospital (“YNHH”) hereby requests that the Board certify, by unanimous consent at its December 6, 2021 meeting, that YNHH’s plan to construct a temporary expansion of its emergency department does not require an amendment to the Medical Area Overall Parking Plan (“MAOPP”). The details of the proposed plan are provided on the enclosed narrative (also submitted to the City Plan Commission).

Because no parking spaces will be added or lost in connection with the proposed expansion and because the expansion will only be operational for six months, YNHH requests that the Board make a determination that there are no changes or amendments required to the MAOPP as a result of this application.

Thank you for your consideration of this request.

Sincerely,

Amy E. Scuchuns
Attorney for Yale New Haven Hospital

**Yale New Haven Hospital
Site Plan Application Narrative
November 24, 2021 (rev. November 30, 2021)**

Applicant Yale New Haven Hospital, Inc. (“YNHH”) seeks site plan approval for a temporary expansion of the existing adult emergency department (“Expansion”). Due to the constraint of space within the current facility, the Expansion is intended to provide much-needed space to accommodate the patient surge YNHH has been experiencing and anticipated to peak in late winter. The Expansion, designed to be occupied for approximately six (6) months, will be created by the enclosure of the existing vehicle turnaround area in the West Pavilion, located at the corner of Park Street and Howard Avenue, as well as a modest portion of the West Pavilion driveway.

As depicted in the accompanying plans, the Expansion includes 35 patient spaces, as well as nurses’ stations, storage areas, and restrooms. A framed and clad structure of noncombustible materials will be temporarily erected enabling the Expansion to be weatherized, conditioned, and fire protected, with full utilities provided. A small area at the Park/Howard corner will be used for temporary mechanical equipment; this area will be fully screened by opaque fencing.

The Expansion is located in a paved area beneath the existing West Pavilion Tower, resulting in no changes to stormwater management plan or reflective heat impact. No additional loading area or dumpsters are proposed because material handling and trash routing will be unchanged. No exterior signage or lighting is planned, other than modest code-required lighting located in the egress corridor only.

To ensure continued ease of access to the Hospital, YNHH proposes to continue the current pavement markings and parking configuration on Park Street to create an area for valet staging. Patients currently using the West Pavilion turnaround for access to the Hospital will instead utilize the North Pavilion driveway in front of the Smilow Cancer Hospital, at which time their vehicles will be handled by the valet system. Valet drivers will then use the reconfigured end of Park Street, directly past the Smilow driveway, to stage vehicles. The proposal does not result in the addition or loss of any parking spaces on the YNHH campus; therefore, no modification to the Medical Area Overall Parking Plan is required.

Dear Madame President

I hereby submit the attached Ordinance Amendment to specify that the Building Official is responsible for enforcing Section 12 ½ .43.2 subsection (4) of the Ordinance and ensuring compliance with the same.

In 2016 due to concerns will elevators going out of service for extended lengths of time without notification to the impacted residents the Board of Alders amended the Code of Ordinances to address that issue. Since then, the Ordinance has not been enforced due the lack of language specifying which official is responsible to enforce it.

This amendment resolves that issue by declaring clearly that the Building Official enforces this portion of the Code of Ordinances.

I respectfully ask for the support of your and the rest of the Board of Alders to enact this amendment so our residents may be served as we intend them to be per the Board of Alders previous actions.

Sincerely,

Salvatore DeCola

SUMMARY OF GRANTS ACCEPTED BY THE CITY
FISCAL YEAR 2021-2022
MONTH ENDING: OCTOBER 2021

Name of Grant/Source	Value	Recipient Department	Date Signed	Description of Grant
No Grants				

Special Fund Expenditure and Revenue Projection Explanation

Please note that the Special Fund expenditure and revenue projections contained in this report are estimates based upon preliminary information received by City Departments from potential Granting Agencies. Budgets reported for Fiscal Year 2021-2022 may reflect anticipated new awards that have not yet been approved by the funding agency or Board of Alders. Funding will become available for use only after awards have been approved for acceptance by the Board of Alders and after grant agreements have been executed. Once all approvals are in place, the budgets will be entered on the City's financial accounting system, MUNIS.

Deficit Explanation

The Agencies listed below have significant budget variances that we feel warrant an explanation.

- No deficits are currently projected.

Surplus Explanation

- If a large surplus exists in a special fund, it is usually the result of a multi-year award that is partially complete. Multi year awards are based on the completion of a project or for the operation of a particular program that extends beyond the City's fiscal year. Any remaining balances for multi-year awards will be made available in the following fiscal year or until the grant period has ended.

Good Morning Director Lucas:

I am seeking to resolve what has become a very opaque matter, created by the failure of the New Haven Police Department to adhere to Connecticut State Law.

This behavior by the Police Department led to the destruction of a personal automobile and the loss of irreplaceable personal property. The claim was filed on 18 November 2021, within the 90 day limit stipulated for claims of my type, where the Office of Corporation Counsel was also served.

After further discussion with the Connecticut State Police Automobile Task Force, which originally established the New Police Department through fiat, allowed the removal of an automobile in its' custody, a concern has arisen of a "pattern" and / or "informal practice" that violates State of Connecticut General Statute CGS Sec 14-150.

I will be returning to Georgia shortly. Please advise the protocol to engage my request to speak with the appropriate committee, or full board of Aldermen, on this matter.

Hon. Tyisha Walker-Myers
President, New Haven Board of Alders
165 Church Street
New Haven, CT 06510

Dear President Walker-Myers

Based on discussion that the Board of Alders has had recently concerning updating the Livable City Ordinance to properly reflect our procedures and the correct version of the Charter.

After a thorough review I am pleased to submit this motion to amend Section 21-29 of the Code of General Ordinances (adopted on June 7, 1999) to simply update the wording to what it should be in 2021.

These minor updates correct the language to reflect the process and the proper section of the current charter by amending the Section 21-29 as follows: deleting the words "first readings" and substituting the following correct words "second readings" in their place; and deleting the words "Section 41" and substituting the following correct words "Article IV, Section 3 (B)" in their place.

Thank you for your consideration and support for this simple update.

Sincerely

Richard Furlow

Madam President:

The Aldermanic Affairs Committee met on November 22, 2021 to hear these items. However, there is not enough time, as the item was submitted on November 15, 2021, and the Charter only allows thirty (30) days for the Board of Alders action to be completed.

Therefore, the Aldermanic Affairs Committee is requesting that the Board of Alders “discharge from committee” these items, so the full Board of Alders can vote on it tonight.
